SeaAirSpace

The Navy League's
Global Maritime Exposition

April 9-11, 2018

Naval STEM Exposition Exhibitor Information

The Navy League STEM Institute is proud to host the second Naval STEM Exposition, to be showcased at the Sea-Air-Space 2018 Expo

WHEN:

The Naval STEM Exposition at Sea-Air-Space will be held on **Sunday, April 8**, from **1pm to 5pm** in the Potomac Rooms at the Gaylord Convention Center in National Harbor, Md.

WHAT:

Exhibitors will be able to connect with and engage middle and high school students with interactive exhibits or career-exploration opportunities that have a theme directly tied to the sea services.

WHY:

The Naval STEM Exposition can provide a fun and educational way to connect students with our nation's top military and civilian organizations who can inspire students to pursue a STEM-related career. By fostering more transparency between industry representatives and students before college, the STEM Exposition at Sea-Air-Space can offer early insight for students about the value of a STEM skill-set in today's world. This will help ensure companies and the military have a pipeline of potential employees with the right skills for our nation's security.
